

CHILD DEVELOPMENT  
INSTITUTE

***Child Development Institute's Martini Madness***  
Hilton Woodland Hills  
March 15, 2018

***Sponsor and Contribute to Support Young Children  
Promote Your Business with Leaders in the San Fernando Valley***

Child Development Institute's (CDI) Martini Madness brings together leading professionals, local leaders, and community members to celebrate CDI's commitment in supporting children and strengthening families to succeed through early learning and early intervention services.

***Support CDI's Fun Event and Enhance Your Reach in the Community***

CDI's Martini Madness is the first CDI event hosted by our Board of Directors this year. We'll celebrate with an Irish Saint Patrick's Day theme while our partners and supporters enjoy signature martinis, and sounds inspired by Frank Sinatra, one of the most popular and influential musical artists of the 20th century. This festive event will provide a forum to learn more about our newest developments, raise awareness, and foster an occasion to connect with individuals who are enriching our community.

***Helping Children Reach Their Full Potential***

For over 23 years, Child Development Institute's team of therapists and development specialists has provided cutting-edge, evidence based services to infants and toddlers with special needs. There is a tremendous need for the vital services Child Development Institute offers to families in the San Fernando Valley, services that will be crucial to NICU families as they transition from in-patient to home. CDI relies on your partnership to provide dynamic programming and connect families to local resources to support our most vulnerable population.

CDI's partnership with Providence Tarzana facilitates a perfect location for this transition for high risk babies and their parents. As a sponsor of this event, you are marketing your business to dynamic people *and* partnering with an organization that helps ensure the healthy future of our community's children. *All proceeds raised from this event will benefit our new facility at Providence Tarzana Medical Center.*

***Thank you for your invaluable partnership!***

Joan Maltese, PhD  
Child Development Institute President and CEO
