

We're Hiring!

Early Interventionist **Part-time Position**

If you have a passion for working with children, we have the perfect opportunity for you to join an amazing and dedicated transdisciplinary team.

Description:

Deliver one on one floor-time therapy to children and their families in school, home and/or community settings. Help address children's emotional needs, increase motivation and appropriate social and communication behaviors. This is a great work experience opportunity for students in psychology, special education, child development, human services, behavioral studies or related field. Will complete all required documentation and communicate and collaborate with interdisciplinary team as necessary. Mandatory attendance at Fridays staff meetings and supervision. Candidate must have reliable transportation and be willing to drive within the San Fernando Valley community.

Qualifications:

Associates degree or equivalent in early childhood or related human service field. Preferred qualifications are a strong desire to work with special needs children, two years' experience in early childhood services, including work with typical infants, toddlers and those with developmental delays. Must be detail oriented and have proof of auto insurance.

Hours: Mornings, Afternoons and Saturdays – depending on client needs

Work location: San Fernando Valley

This is a permanent, part-time position
