CHILD DEVELOPMENT  
INSTITUTE

## Speech-Language Pathologists

- Full-time & Part-time Available
- Speech and Language Pathologists and Clinical Fellows
- Pediatric Population

**Child Development Institute** is an innovative and creative non-profit agency of professionals, who provide evaluation, consultation and intervention for children 0-7 and their families in the San Fernando Valley.

### Job Description

Child Development Institute (CDI) offers full-time and part-part opportunities for Speech-Language Pathologists (SLP) and Clinical Fellowships (CF) to join our interdisciplinary team. We specialize in a wide variety of disorders of evaluating and treating children with Autism, developmental delays, expressive and receptive language delay, articulation, phonology, Childhood Apraxia of Speech, pragmatic language, fluency, and voice. We utilize evidence-based therapies following a relationship based, family centered approach which include PROMPT, Hanen Program, and Augmentative and Alternative Communication (AAC). Our pediatric population ranges from birth to 7 years of age. Therapy takes place in clinic, home, school and/or community settings. We provide strong supervision in mentoring clinical fellows on a weekly basis and provide weekly group supervision for the allied health staff using a reflective supervision model. Responsibilities include providing case management of all assigned cases including note writing, report writing, managing client hours and communicating with other team members.

If you are interested in joining the CDI team and desire to uphold our values of collaboration and helping children thrive, apply today!

### CDI's excellent benefits:

- ♥ Competitive salaries
- ♥ 100% Employer sponsored medical & dental insurance
- ♥ Generous paid time off (PTO) and paid holidays
- ♥ Strong mentorship and ongoing supervision
- ♥ Varied caseload including clinic, home and community
- ♥ Mileage reimbursements
- ♥ Flexible work schedule
- ♥ 403(b) Retirement plan
